Notice on amendments made to Admission Arrangements

The admission arrangements for the September 2021 intake were formally determined on 27 February 2020, following consultation on proposed changes, most of which were then adopted.

An objection to one element of the criteria set out in the admission arrangements for Langley Park School for Boys was lodged with the Office of the Schools Adjudicator in May 2020, and the Schools Adjudicator published his [decision](#) in July 2020.

To give effect to this decision, the admission arrangements for both secondary schools (Langley Park School for Boys and Langley Park School for Girls) have been varied to remove priority for the children of staff working at either secondary school and revert back to giving priority for children of staff at their own school only.

Also, the Schools Adjudicator required the Trust to make minor adjustments to the definition of the child's home address in the Admission Policy for all five of our schools in order to make it fully compliant. This has also been changed.

All amended admissions arrangements are now published and marked as 'Amended Aug 20'.
