

**LANGLEY PARK PRIMARY SCHOOL
DETERMINED ADMISSION ARRANGEMENTS
2021-2022**

Langley Park Primary School is an academy and part of the Langley Park Learning Trust and adheres to the admissions arrangements set out by Langley Park Learning Trust who are the 'Admissions Authority'. The following arrangements with respect to the admission of pupils to the school will be adopted.

Published Admission Number (PAN) for Langley Park Primary School is 60

Primary School Admissions

Age of Admission

Langley Park Primary School admissions policy is to admit children to reception classes twice a year. Children born between 1 September and 28 (or 29) February inclusive are admitted at the beginning of the Autumn term (September) and those born between 1 March and 31 August at the start of the Spring term (January) before their fifth birthday.

However, in line with legislation, all children will be permitted to start in reception in the September following their fourth birthday. Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the child reaches compulsory school age in that school year. Such requests must be considered by the Governing Body, who delegates this task to an Admission Committee (Admission Committee), which will decide whether or not to agree the request in principle, or refuse the request. Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical

professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They must also take into account the views of the head teacher of the school concerned. Where entry is deferred in that school year, admission authorities must hold the place for that child and not offer it to another child. Once a place has been offered the parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Children born between 1 April and 31 August 2017 and offered a place for admission in the 2021-22 academic year will be expected to join the school by the start of the 2022 Summer term.

Admission of children outside their normal age group

Admission of children outside their normal age group - Parents of Summer born; gifted and talented children, or those who have experienced problems or missed part of a year, for example due to ill health, can seek places outside their normal age group. This is not an automatic right to choose this option as decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. The views of the head teacher of the school concerned must also be taken into account.

Summer born children

Langley Park Primary School will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. Views of the head teacher of the school concerned **must** also take be into account. When informing a parent of the decision on the year group the child should be admitted to, Langley Park Primary School will set out clearly the reasons for their decision.

Process for this request is outlined in "London Borough of Bromley Admission of Summer born children outside of their normal age group".

Twins, triplets and other multiple births: where twins, triplets or children from other multiple births qualify for the last school place to be allocated Bromley will admit all of the qualifying siblings in excess of the published admissions limit and they will be considered as 'excepted pupils'.

Application Procedure

Application for admission to reception must be made in accordance with the published Primary

Co-ordinated Admission Arrangements for each relevant year and will only be accepted from parent/guardians with proven parental responsibility. Change of parental responsibility, unless exceptional circumstances through a court order, will not be accepted during the co-ordinated admission process.

Oversubscription Admission Criteria

Where schools are oversubscribed places will be offered in line with the admission criteria outlined below:

- (i) Children Looked after or previously Looked after (see note 1).
- (ii) In exceptional circumstances there is discretion to admit children on the grounds of their or their family's acute medical or social need for that particular school and who would not otherwise qualify for admission. The application must be supported by a letter from a hospital consultant, the special support service, social worker or similar professional, setting out the reasons why the school is the only one to meet the child's needs, before an admission decision is made. Applications received without supporting documents will not be considered by the panel. The admission decision will be considered in consultation with teaching and medical professionals. Medical professionals provide advice on applications made under medical conditions and teaching professionals advise on applications made for social or special reasons. Supporting evidence must be provided by the closing date for applications as this criterion is only for admission to reception and will refer to 1st preference only.
- (iii) Siblings - Children who will still have a brother or sister at the preferred school at the beginning of their first term (see note 2).
- (iv) Proximity – proximity as measured in a straight line from the home address to the main entrance of the school (see note 3 and 4).

Notes

1. A 'child looked after' definition:
Children with the status of looked after children or previously looked after children at the time the application is submitted will be allocated places in this category.

A 'looked after child' is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions, in England. A 'previously looked after child' is a child who was looked after in England, but ceased to be so because they were adopted, or became subject to a child arrangements or residence order, or a special guardianship order, as well as a child who appears to the Admission Authority to have been in state care outside of England (i.e. in the care of, or accommodated by a public authority, religious organisation or any other provider whose sole / main purpose is to benefit society), but ceased to be so as a result of being adopted.

In order to be included in this category, applications must be accompanied by a letter on headed notepaper signed by the child's fully qualified current or former social worker confirming their status, an adoption or special

guardianship order, and / or satisfactory documentary evidence of having been in state care outside of England (as defined above), by the closing date for applications.

2. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be registered as living in the same family unit at the same address. The elder sibling must still be on roll at the school when the younger child starts school.
3. "Home" being where the child normally resides as their only or principal residence. Addresses involved in child minding (professional or relatives) will not be considered. Parents will be asked to provide documentary evidence to confirm an address and parental responsibility. It is expected that the applicant and pupil will still be resident at the same address when the child starts school unless exceptional circumstances apply. Places may be withdrawn if the family move out of the proximity area covered by the school.
4. Distance will be measured (in a straight line) from the child's home address (including flats) to the main entrance of the school building, using the Local Authority's computerised measuring system that identifies the unique national grid reference (Easting and Northing) for the property. Those living closer to the school receiving the higher priority. The furthest distance reached is checked to confirm it is unique. Where the next applicant measures the same, the system will go to further decimal places within a measurement to qualify who is nearer. Where applications are received from flats that have the same "easting and northing" measurements, places will be allocated by door number; the lower the number the higher the priority. If there are two identical distance measurements for different addresses of separate applicants, the tiebreak will be done by drawing lots.

Offer of Reception Places

Places will be offered in line with the agreed scheme to co-ordinate admissions to primary schools in Bromley. Please see the Primary Co-ordinated Admission Arrangements 2017.

Late Reception Applications

Late applications will be dealt with in accordance with the procedures laid down in the co-ordinated admissions scheme.

Reception Waiting Lists

Waiting lists will be maintained and kept in the order of the published admissions criteria until 31st December 2021. Lists will be disbanded on this date and applicants wishing to remain on waiting lists will be required to re-apply.

In year Applications

[Type here]

All applications should be directed to the London Borough of Bromley using their in year application form. The Local Authority holds all waiting lists for places that may become available throughout the year. Any child not offered a place will be placed on the waiting list. Parents have the statutory right of appeal.

Waiting lists

Children who are not offered a place immediately will have the option of remaining on a waiting list. Children on the waiting list will be offered places in order, according to the criteria above. Langley Park Primary School will maintain a clear, fair and objective waiting list until the 31 December 2021 for reception applicants at which point a further application must be made to the London Borough of Bromley (Local Authority). These applications and any further applications after that date should be directed to the (Local Authority) using their in year application form. The waiting list will be maintained in the order of the over subscription criteria until the end of the Summer Term 2022. However, children directed via the Fair Access Protocol will take precedence over any child already on the waiting list and this includes admitting children over the published number. Pupils who are not offered a place will have the statutory right of appeal.

Fair Access Protocol

All schools in Bromley, including Academies (Free Schools); Voluntary Aided and Foundation, will admit pupils referred under the Fair Access Protocol. A 'Hard to Place' pupil will be given priority for admission over any others who are seeking or applying for a school place and the school can admit over their published admission number.

Appeals

All applicants have a statutory right of appeal in the event that their preferred school is unable to offer them a place. Unsuccessful applicants must be advised of their right of appeal to an independent admission appeals panel, under the School Standards and Framework Act 1998.

Appeals for Key stage 1 (reception, year 1 and year 2) places will be considered in light of the class size regulations that require infant class sizes to not exceed 30. The legislation will only permit class sizes above 30 in limited, specified, circumstances.

Children with a Statement of Special Educational Needs or Education, Health and Care Plan

Children with a full statement of Special Educational Needs (SEN) or Education, Health and Care Plan (EHC) are dealt with under a separate process by the Special Educational Needs team. The published admission number of all Bromley schools is inclusive of students with a statement of special educational needs or Education, Health and Care Plan (EHC) that are admitted to the school pursuant to the school being named in their statement or EHC plan.

Appeals for Children with a Statement of special educational needs and Education, Health and Care Plan (EHC) are dealt with by a SEN Tribunal.
