

### Maths

- Recognise the place value of each digit in a three-digit number (hundreds, tens, ones)
- To compare the value of and order a range of 3 digit numbers.
- Use the expanded column method to add & subtract two 3 digit numbers.
- To identify the properties of a range of 2D shapes.

### English

This half term we will be reading *The Stone Age Boy*. We will use this to:

- Develop our narrative writing skills by using a variety of fronted adverbials and expanded noun phrases.
- Write a set of detailed and informative instructions.
- Research about life during the Stone Age and write a non-chronological report

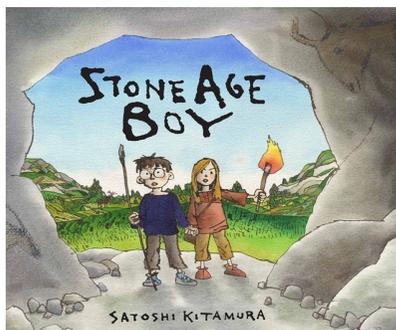

### Computing

- Learning how to keep ourselves safe when online

### PSHE

- Being Me in My World

## Autumn 1 Overview

### PE

Netball: developing skills such as sending, receiving, defending and shooting.

Fitness: building speed, stamina while learning how to keep our bodies healthy and fit

### RE- Hinduism

- Would celebrating Diwali at home and in the community bring a feeling of belonging to a Hindu child ?

Science Geography History Art  
Music Technology MFL

### Our Cornerstones Topic is Tribal Tales

In our topic based learning we will be learning how to:

- Examine the changes in Britain between the Stone Age and the Iron age using a range of sources such as maps, images and artefacts.
- Explore the impact of the creation of bronze and iron on everyday life and tribes in Britain during this period.
- Create our own Bronze Age pots

In Science, we will be learning to:

- Identify the parts and functions of a flowering plant and pollination.
- Explore whether light and water are important for plants to survive.

Outside of our topic, we will be beginning to learn the French language and become familiar with some key words.
