Computing

- Video performance using iMovie

PSHE

- Healthy Me

Spring 2 Overview

Power of Reading and English

This half term we will be exploring *The Firework Maker's Daughter* by Phillip Pullman. We will use this to support us with:

- Instruction Writing
- Character Descriptions
- Alternative endings

PE— Dodgeball—Continuing to learn the skills of throwing, catching, dodging and blocking as well as collaboration and perseverance.

Dance—choreograph and perform a dance based on Tremors using canon, unison, formation and control, including sharing ideas and being respectful within a group setting.

RE - Christianity

This term, we will be revising the Easter Story. We will use the enquiry questions 'What is 'good' about Good Friday?' to examine and explore this religious celebration.

Science Geography History Art
Music Technology MFL

Our Cornerstones Topic is

Tremors!

In this topic we will be:

- Examining layers of the earth and how volcanoes are formed
- Investigating what causes volcanoes to erupt using different case studies
- Classifying and exploring different volcanoes around the world
- Plan, design and construct our own volcanoes and investigate how we can make them erupt.
- Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties
- Recognise that soils are made from rock and organic matter
- Describe in simple terms how fossils are formed when things that have lived are trapped within rock

Outside of our topic, we continue to develop upon our understanding of the French language and practise different
