Maths

This half term we will be looking at number and place value. We will learn to:

- Find 1000 more or less than a given number.
- Count backwards through zero to include negative numbers.
- Recognise the place value of each digit in a four-digit number.
- Order and compare numbers beyond 1000.
- Round any number to the nearest 10, 100 or 1000.
- Solve number and practical problems that involve all of the above.

English

This half term we will be reading *Arthur and the Golden Rope*. We will use this to:

- Develop our narrative writing skills to write character descriptions
- Write a detailed and informative newspaper report
- Develop our understanding of how to write exciting and descriptive recounts in the form of a letter
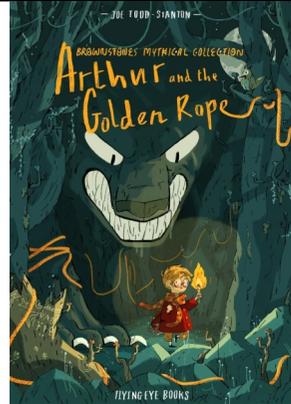

Computing—We are coders

Our computing focus will be on developing our coding skills to:

- design, write and debug programs
- use logical reasoning use sequence, selection, and repetition in programs
- use sequence, selection, and repetition in programs

PSHE

- Being me in my world

Autumn 1 Overview

PE

Netball: developing skills such as sending, receiving, defending and shooting.

Fitness: understanding different components of fitness; speed, stamina, strength, coordination, balance and agility.

- Is it possible for everyone to be happy?

Science Geography History Art Music Technology MFL

Our Cornerstones Topic is Traders and Raiders

In our topic based learning we will be:

- Investigating who the Vikings and Anglo-Saxons were and where they came from.
- Exploring what life was like in the time of the Vikings and Anglo-Saxons
- Investigating the significance of King Arthur

In Science, we will be learning to:

- Identify how a range of sounds are made
- Find patters between the pitch and volume of a range of sounds
- Recognise how distance can affect the volume at which we hear sounds

MFL

Outside of our topic, we will be continuing to learn the French language to become increasingly familiar with a range of vocabulary.
